Research Interests

Minimax Optimization, Optimal Transport

Education

Korea Advanced Institute of Science and Technology (KAIST)	Daejeon, South Korea
<i>M.S./Ph.D. in Mathematical Sciences</i> (Advisor: Prof. Donghwan Kim)	Mar. 2024 – Present
Kyungpook National University	Daegu, South Korea
<i>B.S. in Mathematics</i> GPA: 4.24 / 4.3 (Ranked 1st in Dept.)	Feb. 2024

Submitted Papers / In Preparation

- **Yejun Kim**, Dongchan Shin, Donghwan Kim. “Edge of Stability Occurs in Minimax Optimization,” *Submitted to ICLR*, 2026.

Journal / Conference Papers

* indicates equal contribution

- **Yejun Kim**, Dongchan Shin, Donghwan Kim. “Edge of Stability Occurs in Minimax Optimization”, *Neurips Workshop OPT*, 2026.
- **Yejun Kim***, Kyungjae Lee*, Donghwan Kim. “Minimax Optimization without Spurious Solutions in Optimal Transport Learning”, *NeurIPS*, 2026.

Teaching & Mentoring Experience

Korea Advanced Institute of Science and Technology (KAIST)	Daejeon, South Korea
• Teaching Assistant , Introduction to Numerical Analysis	Fall 2026
• Research Mentor , KAI-X Research Internship (Mentee: Doan Trong Nguyen)	Jun. 2026 – Aug. 2026
• Teaching Assistant , KAI-X International Summer School	Jul. 2026
• Teaching Assistant , Calculus II	Fall 2025
• Teaching Assistant , Calculus I, Probability and Statistics	Spring 2025
• Teaching Assistant , Calculus II, Introduction to Linear Algebra	Fall 2024
• Teaching Assistant , Linear Algebra for Data Science	Spring 2024

Awards & Scholarships

- **Best Teaching Assistant Award** (Probability and Statistics) Sep. 2025
Dept. of Mathematical Sciences, KAIST
- **The National Scholarship for Science and Engineering** Mar. 2022 – Mar. 2024
Korea Student Aid Foundation (KOSAF)
- **Dean’s List** Apr. 2022, Oct. 2022, Apr. 2023
College of Natural Sciences, Kyungpook National University
- **Scholarships for Academic Excellence** Mar. 2021, Sep. 2021
Kyungpook National University
